Dear Certified Volunteer,

It gives me great pleasure to provide you with your Manalapan Parks and Recreation Certified Volunteer Badge, which demonstrates that you have successfully completed our Volunteer Safety Training and Criminal History Background Check.

In order to comply with the Township Ordinance, the I.D. Badge has been designed to be worn around your neck and displayed whenever you are volunteering at practices, games, etc. as an assurance to parents and participants that you have earned the privilege to volunteer. Failure to wear your I.D. Badge while volunteering with the youth of this community could result in your removal from the activity. As a reminder, your background check expires four (4) years from the date of approval from the state.

Thank you for your interest in Manalapan Parks and Recreation, and for taking the time to comply with the certification process.

Sincerely,

Mona Cholowinski, Superintendent
Manalapan Parks and Recreation
